Safe use of all machine and hand tools used will be taught as part of each class. Students are encouraged to ask for questions if proper, safe tool use is unclear. We are here to learn.

Liability Waiver for Woodworking Classes

In case of accident or injury during activities related or not related to woodworking at the workshop and home of Timothy Clark at 2111 Green Street, Waltham, VT, I agree to release from liability Timothy Clark or his family for any injury that I may sustain while working at the shop /residence of Timothy Clark located at 2111 Green Street, Waltham VT 05491.

I agree to approach, the use of machinery and hand tools alike, with the care and respect needed for safe use of these tools. I agree to ask for assistance when proper safety techniques for tool use is not completely clear. I agree to not work with potentially dangerous tools when I am impaired by fatigue or lack of mental focus. I agree to not work while under the influence of any substances that may impair my physical or mental abilities.
